Hello-

The Backyardigans B-Roll is up on You Tube. You can see it here:

<http://youtube.com/watch?v=SqNAhB5B6-Q>

The keywords I used for searching are:

Backyardigans  
Live  
Tour  
Tale  
Mighty  
Knights  
USA  
Nickelodeon  
Concert

Please let me know if there are more you'd like me to add.

Thanks!

Great. Andy is working on this now and will hopefully have this up today. Will keep you posted and send over the different names we're under.

Hey Amy - Spoke to our online group last night and we are free to post on YouTube as long as we own the rights to the footage which we do . I think we should do that right away as we all know that the Canadian show is on the top of the queue and we should knock them off there

Up to you but I would guess it would be a section of b-roll with multiple similar postings under different names to capture the search engine inquiries

Backyardigans Live USA  
Backyardigans Live Show  
Backyardigans Live - Nickelodeon

Others?

What ever names you post under should be conveyed to Susan who will send to Antonious Porch in Online Legal for

their Youtube list

Alfred, Dan & Joe,

None of the below scenes mistakenly listed as "leaked" in this article were leaked at all, they were all brought online this week as part of normal online publicity before the release of the film.

These 2 clips plus 7 others are all online on numerous websites including the official site at MissionImpossible.com

Hope this helps clear up any confusion...

Please feel free to let Amy Powell or myself know if there are any other questions or concerns about these or any other clips online.

I just spoke with Dan Seymour and Brad Borchard from the MPA re. MI:3 scenes found on YouTube.com.

The 3 clips I found on the site are:

1. Mission Impossible 3: I've Got a Signal
2. Mission Impossible 3: Are You in
3. MI:3 Trailer

Also noting that an article was posted today on the FOX NEWS website indicating scenes have hit the internet.

Here's a cut and paste of the article:

#### 'Mission: Impossible' Scenes Hit Internet

Tom Cruise's baby was not the only birth in his life over the past 24 hours. Today, scenes from his upcoming thriller, "Mission: Impossible 3," are being leaked to the Internet.

In the last day or so, two scenes have made it onto youtube.com. They aren't trailers. These are scenes. One of them is called "I've Got a Signal" and the other is "Are You in?"

Both scenes are a minute long. The first one is an action sequence with Ving Rhames and Jonathan Rhys-Meyers. You can't really judge it, but it's very colorful chase that ends with a big explosion. The sound is good enough that the clip will definitely whet appetites for more.

The second scene, however, is less exciting. It's Tom delivering an impassioned speech to Rhames and Rhys-Meyers in front of a clear planning board. Honestly, it looks a little like an outtake from "Minority Report."

But at least there's a funny little spoiler: it seems that Philip Seymour Hoffman's villain is named Oscar Davian, a tribute to his longtime manager and friend Davien Littlefield. The character is referred to in the movie by his last name, so there's a lot of talk about "Davian." It's a nice inside joke.

It's hard to say whether Paramount has authorized these clips as a way of stoking interest in the \$200 million film (that includes promotion), or if some snarky person in the production office is behind the leaks.

And if there are two today, are more coming? The answer is probably yes. Paramount's mission, if they choose to accept it, may be to stem the tide in coming days.

The clips can be found on youtube simply by typing in Cruise's name or the name of the movie in the search engine.

But be warned: you will also find several parodies of the film and of Cruise himself regarding Katie Holmes and Scientology. They are almost more fun to watch than the clips.

Saw that two scenes have been leaked onto YouTube.com. Anyway we can confirm that this is the studio doing this to create buzz or do we have a serious leak that we need to start tracking on?

Do not send notices for these clips until you get confirmation. IGN clips are almost always all authorized. Some of these may be from the EPK DVD. And I recognize some of the footage from TV spots and other sneak clips.

We will not send any takedown notices until we receive confirmation from you.

We found these just a short time ago. I have asked Blair to send take down notices on them. They don't look like teasers or trailers. Many scenes I haven't picked up on before. Let me know if you want me to stop the take down notices.
